Dear Fr. Teeling,

It is my esteemed pleasure to inform you that the TONY QUIRINO AWARD Search Committee will bestow a Certificate of Recognition in your honour for having been nominated for the Tony Quirino Award. In this regard, I would like to personally invite you to RCME's 31st Charter Anniversary Gala Night on February 24, 2012 where the ceremony will be part of the program. The venue for the event will be at the Mount Malarayat Golf & Country Club in Lipa, Batangas, at six o'clock in the evening.

For Rotary Year 2011-2012, the Search Committee has decided to confer the award to Dr. Santiago G. Urmaza, Jr., a native of Pangasinan and a practising Ophthalmologist. Dr. Urmaza is a member of the Association of Philippine Physicians of New York (APPNY) and have been part of the bi-annual medical mission in cooperation with our club since the mission started fourteen years ago. His team has conducted cataract operations and other medical eye examinations in each mission, including post-operative and follow-up examinations through the years, at no cost to indigent patients. He has also established hospitals both in New York and Pangasinan.

Even though the Search Committee faced the monumentally difficult task of having to select only one awardee, they wish to convey that they recognize and acknowledge the importance of the work you have done in the community you have chosen to serve in. In this respect we are all in awe of your accomplishments and can only hope to achieve even a fraction of it to live up to Rotary's motto of "Service Above Self".

In behalf of the officers, directors and members of the Rotary Club of Makati East, I would like to congratulate you for your nomination and we wish you continued success in your endeavours.

Yours in Rotary,

SILVESTRE JERIC E. LAPAN
President, RY 2011-2012
